SUBJECT: DEMARCHE DELIVERED ON UNSC-IMPOSED SANCTIONS ON IRAN

REF: STATE 101574

(SBU) On July 25, Poloff met with MFA International Organizations Department Expert Dang Quoc Hung to deliver reftel points on implementation of UNSC-imposed sanctions on Iran. Hung took note of the U.S. position on the need for robust implementation of sanctions and said he would report this information to MFA leadership. He mentioned that the GVN made timely submissions of its UNSCR 1737 and 1747 reports, and asked if there will be additional sanctions on Iran. Hung referred to reports of recent cooperation by Iran with the IAEA, saying that this was a positive development. Finally he stated that Vietnam has fully complied with the UNSC sanctions on Iran and will continue to do so in the future. Post will continue to press the importance of robust implementation of the UNSCRs with GVN officials.
